SCIENCE

June 19-23 "UNDER THE SEA" Dive into ocean discovery! This week's camp is focused on the ocean and everything that swims, floats, or lives nearby. Explore water, sea creatures, sand and more through crafts, games, science activities, stories, and snacks! Salty water, shells, fish, whales, and did I mention SHARKS? Come along as we explore life under the sea.

THEATER

June 26-30 "MUSICAL THEATER" Like to perform? Sing, act?? Doesn't matter if you are a beginner or have some experience this week is filled with musical theater happiness. From the shy beginner to the ultimate performer there is something for each aspiring star. Musical selections will be determined once campers are enrolled. Expect a week of singing, acting and movement, and of course a performance in the end!

July 10-14 "DaPPLeS in Art" ("D"rawing, "P"ainting, "P"rinting, "L"aces and "S"ketchbook!) Experience a variety of approaches to art as we explore the world around us! Begin by creating a stab bound SKETCHBOOK to fill with DRAWINGS to use for our canvas board PAINTING. Make note cards using reduction block relief PRINTING with a multicolored design. In between projects we will explore the art of Boondoggle Craft using plastic LACES to create lanyard and bracelets.

COOKING & LITERATURE

July 17-21 "COOK WITH BOOKS" Picture it...a mountain of noodles, a pile of pancakes, piping hot pizza. Did that get your mouth watering? This week we are not only going to read stories about delicious foods, but we are going to make and eat them as well!!! Kids can practice creativity and use their imagination while learning life skills and enjoying their creations! Welcome chefs!

MUSIC

July 31-August 4 PERCUSSION JUNCTION Who doesn't like beating on a drum? In this camp, learn about making rhythms, world percussion instruments, bucket drumming (think STOMP!) and using everyday objects to make music! August 7-11 CRESTFIELD CAMP AT CROSS ROADS!!
